

# AUDIENCE USER GUIDE

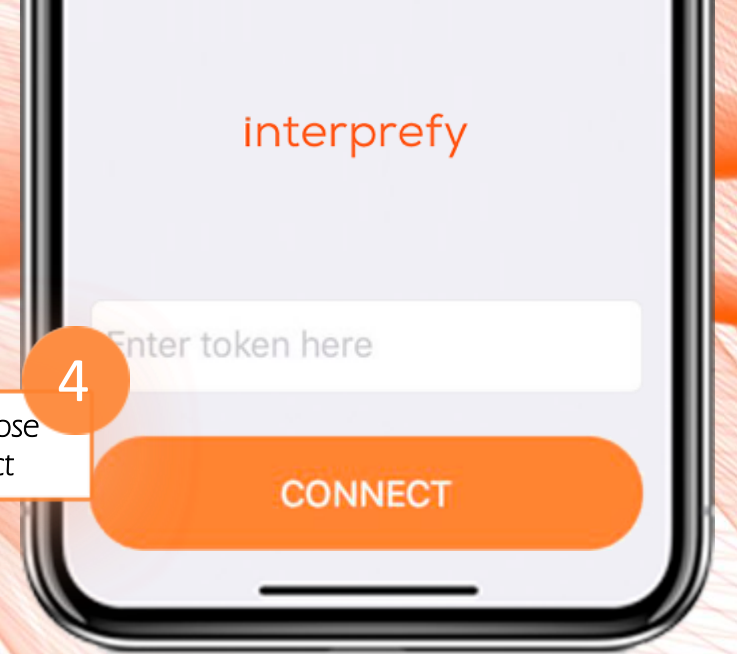

1 Bring your smartphone and earphones with you. Connect to Wi-Fi

2 Download free Interprefy App from App Store or Google Play

3 Connect your earphones to your smartphone, and Open Interprefy App

4 Enter the token: per choice and choose your language. Then press connect

5 If you are disconnected, please press connect again. Enjoy live simultaneous interpretation of the event

Interprefy removes language barriers by providing remote simultaneous interpreting. With interpreters based remotely, you can listen to the speaker in your language and in real-time. It couldn't be easier to use. To connect, follow these three simple steps:

1. Bring your smartphones and a pair of headphones.
2. Download the Interprefy app, available on the App Store and Google Play
3. Open the app and enter the token code of your event

You'll then be presented with the available languages. Select the one you want and listen away!
